

Oscypek (OSC) – Whitepaper

1. Introduction

Oscypek (OSC) is a meme-driven BEP-20 token inspired by the spirit of the Tatra mountains and traditional Polish cheese culture. It merges decentralization, fun, and cultural pride, empowering a grassroots community to take part in the next viral crypto movement.

2. What is Oscypek?

Oscypek is a BEP-20 compliant cryptocurrency running on the BNB Smart Chain. It is both a cultural statement and a digital asset - uniting humor, heritage, and the Web3 revolution.

3. Vision & Mission

To create a strong, engaged community built around Polish mountain culture and memes. Oscypek aims to promote crypto adoption in Central Europe while delivering entertainment, decentralization, and cheese-flavored joy.
